### INFO

BLC PRODUCTIONS ("Power Has A Name"), [WWW.BLCMUSIC.COM](http://WWW.BLCMUSIC.COM) presents AGONOIZE, the new and soon-to-be ruling bad boys of Berlin, who present a decimating performance on their debut track and MCD, "PARANOID DESTRUCTION", now rattling the light fixtures in clubs around Germany!

Agonoize serves up a feasty mix of hard, danceable beats overlaid by growling and darkly sinister vox, in a tribute to the desperation of man versus evil. Even the CD face, which shows the cylinders of a revolver, tells the story of pain and delusion for one at the end of the line.

The 9-track MCD outperforms full-length discs in the variation and originality of the remixes by industrial music superacts S.I.T.D., PSI Corp., Lohen & Lomax and other friends, as well as an extended and string version. Full contact and total power.
